## **Gesamtbibliographie „Infusionstherapie“**

Bei der hier vorgelegten Gesamtbibliographie handelt es sich um ein Teilergebnis eines seit 1998 am Institut für Pflegewissenschaft an der Universität Bielefeld (IPW) durchgeführten Forschungsprojekts zur häuslichen Infusionstherapie. Näheres zum Hintergrund der Untersuchung, zum methodischen Vorgehen bei der Recherche und Analyse der Literatur sowie eine thematische Zuordnung ausgewählter Titel (Auswahlbibliographie) sind folgender Veröffentlichung zu entnehmen:

*Ewers, M. (2001): Klinische Pflegeexperten: das Beispiel der Infusionstherapie – Einführung und Bibliographie. P01-112. Veröffentlichungsreihe des Instituts für Pflegewissenschaft an der Universität Bielefeld (IPW). Bielefeld: IPW*
